# ROGER the ROBOT

My name is: \_\_\_\_\_

## Think about it

A robot might be a big help around the house. Put an X beside the job you would like a robot to help you with.

\_\_\_\_\_ do the dishes

\_\_\_\_\_ clean your bedroom

\_\_\_\_\_ help with your homework

\_\_\_\_\_ rake the leaves

I am Roger Robot.

I come from out in space.

When landing here two days ago,

---

I landed on my face.

Circle the word from the story that fits:

1. Roger was a ...                      **robot**                      **space ship**

2. Where did Roger come from?                      **space**                      **Mars**

3. How many days ago did he arrive here?                      **two**                      **four**

4. What did Roger land on?                      **his face**                      **his head**

Roger Robot's name begins with the sound that Rr makes. Color the pictures that begin the same way.
