Reading Instructions for **Installing Software**

Directions Read the instructions below. Then, answer the questions.

GAMERS' DELIGHT

To Install:

Insert the Gamers' Delight CD-ROM in the CD-ROM drive. A menu will appear on the screen. Click on "install." The program will take a few minutes to install. Do not press any keys while the program is being installed. When installation is complete, a dialogue box will appear that says, "Installation was a success." Then, restart your computer.

1. When the menu appears on the screen, what word should you click on? _____

2. What should you avoid doing while the program is being installed? _____

   _____

3. How will you know when the program has been installed? _____

   _____

4. What must you do once the program has been installed successfully? _____

   _____

5. Put the following steps in sequential order from 1 to 4.

   ____ Restart the computer.

   ____ Insert the CD.

   ____ Wait for the program to install.

   ____ Click on "install."
